Dear Food and Drug Administration,

I am writing in regards to the slaughter of downed animals. The means in which these animals are transported to slaughter are vicious and far beyond necessity. The production processes these animals endure are inhumane enough. There is not need to increase their suffering. I am in support of the Farm Sanctuary petition to prohibit the slaughter of downed animals. The petition docket number is 98P-0151/CP1.

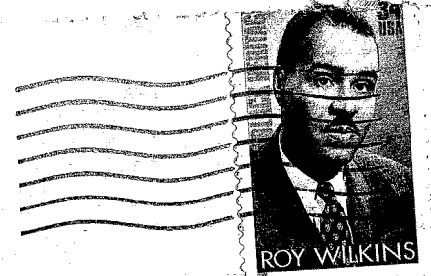

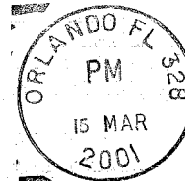

Concerned consumer,
Ezra Selman
